Dear Sir:

We would like to take a few minutes of your time to introduce ourselves, Gullett Sanitation Services Inc. We are wastewater, biosolids and residuals contractor located in Cincinnati, Ohio. Since 1948 Gullett Sanitation has been in the business of providing transportation, removal and disposal of all types of wastewater and residuals.

Our Services include:

- Mobile Dewatering
- Dredging
- Hydro-excavation
- High pressure Sewer cleaning and Televising
- Land application of biosolids and residuals
- Belt Filter Press parts and service
- Dewatering Polymers
- Sludge Removal and Tank Cleaning

With over 50 years' experience in sludge handling and disposal we have the ability to solve the toughest problems. If you have the need for a biosolids contractor or are planning to bid a biosolids project, please take time to consider Gullett Sanitation Services Inc. for your needs. Don't hesitate to contact me at any time if you have questions.

Sincerely

Dan J. Gullett, President
